DESIGN

With our design and prototyping services, you can test and refine your product to ensure it fully meets your requirements before moving into production.

MANUFACTURING

Our production facilities are equipped with state-of-the-art technology, enabling us to efficiently fulfill orders of any size, from 50 to 1,000 units.

DISTRIBUTION

We carefully package, store, and deliver our products to ensure they arrive in excellent condition and meet your complete satisfaction.

WE SPECIALIZE IN CUSTOM-MADE PROJECTS

Displays • Other metal-based products involving metal wires • Metal tubes and sheets.

For your product's finishing touch, we offer a wide variety of electrostatic paint (for inner or outer coatings), as well as zinc, chrome and nickel plating. Our professional design specialists will spare no effort in making sure that your product lives up to your expectations. Our production experts only use high-tech equipment designed for large-scale manufacturing.

Présentoir SB Métal guarantees that your product will be manufactured quickly and delivered on time.
